

BASKETBALL at the CENTER

For fun, exercise, or a championship trophy

FOR FUN & EXERCISE / *Free Play*

Free play is an incredibly popular option at the Center for those members who enjoy playing in pick-up games, or just practice their shot and dribble around.

Due to a number of holidays, SCC league games, and special events, however, facility schedules can change often — and with limited notice.

For the very latest free play schedule, please call the **Free Play Hotline @ (718) 954-3258**.

FOR A TROPHY / *Competitive Leagues*

Please refer to the SCC's Fall Brochure for information on our competitive and ongoing basketball leagues.

PLAY BY THE RULES / *Court Rules*

We encourage everyone to have fun and play hard, but caution all members that failure to play by SCC rules may lead to a loss in playing time.

- Be respectful of the courts: No food or drinks in the gym area. Also, sneakers and shirts must be worn during all games.
- The Center holds a zero-tolerance policy surrounding harsh flagrant fouls, physical altercations, and the destruction of property.
- Trash-talking may very well be a part of basketball, but the use of foul language at the Center will not be tolerated.
