HOW THE CENTER BECAME OUR CENTER

In 1982, Chief Rabbi Jacob Kassin affixed the mezuzah to the newly opened Center's front door, and with an impassioned speech, officially opened the SCC to a membership of 3,000.

As our community has grown, the Center has continued to meet the needs.

We inspire new paths, class by class. We embrace new interests, program by program.

And we bring more people together, event by event. Our growth has mirrored the community's, because we ARE the community. We have become the Center of it all, brick by brick.

Join us in celebrating the Center's 40th anniversary with a brand new, original show, *Brick by Brick*. This beautiful and fun community show features a fun and emotional storyline, including 10 original new songs. Just as in its 1988 performance, *Generations*, and its 1991 performance, *Celebrations*, theater-loving community members will take to the stage in a collaboration that highlights just how central the Center has been to the unification of our community.

ONE COMMUNITY. ONE CENTER.

MESSAGE FROM OUR CHAIRPERSON OF THE BOARD

Hi! I am very excited to greet you through this publication!

I have proudly served on the Center Board for 36 years. I started as a recording secretary/treasurer and I was just named Chairperson of the Board; I am truly honored and humbled.

But this is not about me. It's about you; it's about our Center. I endeavor to assist in boosting membership. I want to hear from you, the community; tell me what you like, what you didn't like, and what we can improve constructively.

We are about to celebrate our 40th Anniversary with a gigantic project, *Brick by Brick*. This beautiful, exciting live show will be presented on Wednesday, June 22nd and Thursday, June 23rd at Monmouth University's Pollack Theater. Buy your tickets, you don't want to miss it! You can also be a part of the playbill where you can honor the cast on their hard work for the Center on their anniversary.

For the summer, we have planned an amazing robust camp program that will include incredible trips and special events, which will surely give your kids the summer of a lifetime. In New Jersey, we will host Book Clubs, special author events, a Carnival, Young Adult talks and parties, and so much more!

For the fall, we eagerly look forward to new innovative programs, as well as all your favorites. We want to ensure that you, your kids, your parents, and your extended family, connect, make friends, foster positive relationships, and continue to enhance their Sephardic culture. All this while improving your well-being and good health with star-studded programs and special events. Your ability to volunteer is limitless. YOU can impact in a very meaningful way the lives of young and old. No other feeling can match that.

Your ability to volunteer is limitless.

YOU can impact in a very meaningful way the lives of young and old. No other feeling can match that.

We have expanded our amazing preschool, ever-evolving with trends and changes in our broader outlook. We are thrilled to announce the addition of PlayCare for children 18 months where you can join the warm, nurturing environment of the Center Preschool – where we learn to play and play to learn!

We want to ensure your safety always B"H, abreast of the challenges we face. So let's meet and work together to improve the always evolving Center. May Hashem shower us with his blessings.

Yours truly,

Shifra Hanon

MESSAGE FROM OUR CEO

To the Members of our Wonderful Community,

This editorial space typically serves to highlight the amazing programs and events that the Center creates for countless people on a regular basis. In this issue, however, we'll take a slightly different approach. I'd like to briefly underscore the unique services and opportunities that the Center provides – most notably, during trying times. With an institution such as ours leading the charge, it is no wonder why our community is looked to as the standard; the very best there is.

Ours is a community that is responsive to the needs of our people, not only forecasting issues, but resolving them. With every developing crisis offering its new set of challenges, there was always a community group that stepped in to fill the void. Though much of the work happens in anonymity, take these recent cases in point:

- When test kits were needed during the height of the pandemic, we suddenly had thousands of them at our doorstep.
- When vaccinations were needed, phone calls were made, and suddenly we were making phone calls to fill appointments and schedule rides.
- When innocent lives were at risk in Ukraine, flights were chartered. Destination — safety.
- And most recently, when a sudden shortage in baby formula struck panic in the hearts of parents, a community member stepped up and an emergency reserve of baby formula soon flowed from the Center.

There is no doubt that this community is special – and is made even better by the heroic efforts of those who continue to help behind the scenes. I would like to share a heartfelt “thank you” to everybody who helps make the Center, the center of it all.

Thank you to the people who provide what is needed... when it is needed.

Thank you to the masses of people who promote that we have what is needed.

Thank you to the team of volunteer drivers who work on pick-ups and deliveries.

And, *Thank you* to those people who accept those emergency items, knowing that they'll pay forward the kindness, in whatever form, at the very next opportunity.

We are all one big, amazing community, caring and sharing for each other. What can be better than that? Thank you all so much!

Your CEO,

Joey D. Tawil

HONORING CHARLIE AZAR

On Monday, May 16, we honored Charlie Azar with the Master Builders Award, presented to him for years of dedication, steadfast devotion, unwavering commitment, and endless time and energy into building the Center into the dynamic institution that it is today.

Charlie has devoted so much time and energy to the Center, and was involved in the economics and production of our beloved building. A role model, a builder, and an inspiration to many – Charlie proved himself to be a pillar of the community. Charlie has had a role in almost every aspect of the Center, including the 6-7 year long expansion.

"To me, the ultimate honor was being trusted with the construction of this magnificent building," says Charlie.

The Inspire Speaker Series, in its premier event, hosted **Ari Bousbib**, Chairman and CEO of IQVIA Holdings, a Fortune 500 publicly traded company. Ari shared his journey as an orthodox Jew facing the challenges of his successful career and how he grew as a Jew, a person, and a business leader. Special thanks to **Charles Mizrahi** for moderating the interview, and to our own **Ezra Faham**, along with **Mitch Kuflik**, of Brahman Capital, for sponsoring this inspiring evening.

PURIM CARNIVAL

On March 13th, the Center was so happy

to bring back the Purim Carnival that was dormant for the past few years through Covid. We hosted close to 2,000 people all dressed up and ready for the festivities. Everyone enjoyed bouncies, rides, face painting, projects, a music show, carnival games, good eats, and a special appearance by Harry Chazanoff on wheels! It is a true community event and brings smiles to all!

Thank you to all the sponsors for making this event a success.

CARNIVAL

YOM HA'ATZMAUT

We had over 400 attendees at our amazing Yom Ha'atzmaut Celebration! The program was sponsored by Z & Marav Dweck in collaboration with AIPAC, SCA, iLead, MDY, and Barkai. The night started off with a moving Yom HaZikaron tribute, honoring community heroes **Abraham Mizrahi A"H, Ovdia "Buddy" Sutton A"H, and Joseph Aboudi A"H** for bravely defending Israel. The celebration continued with an amazing performance by MDY's choir and a stunning rendition of the daglanut by Barkai. Keynote speaker and Olympian **Hailey Kops** relayed her inspiring story of perseverance and Jewish pride on her journey to the 2022 Olympics. What a beautiful night!

centered on BOOKS

We hosted a 2-day literary expo filled with author-led discussions, panels, cooking demos, a marketplace, a book fair, and more called **Centered on Books**. The first portion of the event included a panel discussion with **Jeff Sitt** and **Corie Adjmi**, moderated by **Marshall Mizrahi**. Our panelists spoke about how to go from thought to book, including guidance, tips for publishing, and marketing. Attendees met the panel, asked questions, and felt inspired! We were so happy to see our youngest author attend the event: 9-year-old **Sharyn Ashkenazie**, author of *The Rainbow Joins Back Together*. We are sure she will be a great success.

The second portion of the event brought some of our community's top authors to the Center: **Susan Harari**, author of *Confidence in the Kitchen*, **Jack Doueck**, author of *6 Steps to Overcoming Adversity*, **Norma Gindi**, author of *I'm Not a Psychologist But I Do Have a PHD in Motherhood*, and **Lottie Bildirici**, author of *Running on Veggies*. Our authors relayed their amazing stories on what motivated them to write their books. Thank you to all the authors for being part of such a great event!

STANLEY A"H & COOKIE CHERA EARLY CHILDHOOD

Lori Ash, Head of School
Lisette Lalo, Director of Early Childhood Education

Spring was magical in the Early Childhood!

We learned about community helpers in our neighborhood. The children literally put themselves in community helpers' shoes as they learned about fire safety, construction work, doctors and dentists.

Some of the many special events we had include **Grandparents' Day**, **Pajama Day**, and **Crazy Hat Day**. Children also packaged **Mishloach Manot** for local charities in the neighborhood. We celebrated the holiday of Purim on **Costume Day**, where we dressed up, sang and danced with **Morah Sivan**, and bounced up and down on inflatables.

The holiday celebrations continued during Pesach, as the children enjoyed mock-seders and making their own matzah with our guests from the **Model Matzah Factory**.

Next was our **Yom Ha'atzmaut Celebration!** Our children grabbed their passports and headed to Israel, where they prayed at the Kotel in Jerusalem and enjoyed activities at the Dead Sea, Eilat, and our makeshift Kibbutz!

We ended the season with a phenomenal **Mother's Day Celebration**. Everyone had the best time potting plants, coloring aprons, playing, and celebrating with our mommies!

Harry Chazanoff, *Director of Youth Services*

Ariel Mann, *Youth Program Coordinator*

Chedva Vojdany, *Youth Program Supervisor*

This Spring Semester was

one of the best for our Sunday and Friday programs! 1,409 kids had a blast in Ballers, Purposeful Play, Nova Gymnastics, Trip Club, Fridays in Actions, and more!

Beyond that, over 650 kids participated in our Passover Programs, which ran for 7 days.

For our 7th and 8th graders, we kicked February off with great fun! They enjoyed an epic Super Bowl Party, as well as an amazing President's Weekend Trip to the Palisades Mall.

We also premiered our new Saturday program for teens called **Saturday Night Lights!** Our first event was a cooking one called *Nailed It*. Teams channeled their creativity to duplicate dishes placed before them. Our 78s had a blast and were excited to take on the challenge.

Our final SNL of the semester featured a Haunted House set up in our very own Auditorium! The Auditorium was transformed into a creepy graveyard where scary characters came out and startled our brave 78s as they made their way through the fog and darkness. The line was full all night as over 160 kids went through our Haunted House!

SPORTS & LEAGUES

David Jolovitz, Director of Health & Wellness

Harry Chazanoff, Director of Youth Leagues

Richie Simon, Director of Men's Leagues

MEN'S LEAGUES

It's well-known that the Center's Sports & Leagues Division uses sports – basketball in particular – to instill teamwork and resilience in men (and young men) of all ages in our community. As we approach the end of the season, some program news and notes:

- With the all-star break recently behind us, **Men's Leagues** are winding down and many of the teams enter the playoffs with championship aspirations.
- Raising championship banners is also on the minds of some of our younger players – for our 4th and 8th grade travel team basketball leagues. The **Wildcats** have their sights set on the playoffs, shiny gold trophies, and championship glory.
- Swing by and catch the live action most nights in our red and blue gyms. The gameplay is competitive – and set to a soundtrack of squeaking sneakers, dribbling basketballs, and deep-3 swishes.

Our **Red Zone Football** leagues had over 300 participants playing on beautiful turf fields! We've had an amazing season and can't wait to see what is in store for fall 2022!

Our **Ballers** programs ended the spring season with some amazing championship games! We are so proud of all the kids who participated in the leagues. The kids learned about teamwork, sportsmanship, and most of all had fun playing the game they love! Thank you to our volunteer dad coaches for doing such an amazing job with the kids!

THE WINNERS

- 2nd Grade: Knicks • 3rd Grade: Knicks
- 4th Grade: Knicks • 5th Grade: Mavs
- 5th & 6th Grade Girls: Heat • 6th Grade: Nuggets
- 7th Grade: Hornets • 7th & 8th Grade Girls: Lakers
- 8th Grade: Nuggets

On Sunday, May 22 the Youth Department had a **Sports Dinner** to honor the year in sports for **Ballers Basketball**, **Red Zone Football**, and **Cyclones Baseball**. Over 200 people attended the dinner as kids got awards in their respective sport for Most Valuable Player, Most Improved Player, Defensive Player, and Sportsmanship. *We want to thank Harold and Lorraine Sherr, as well as Matthew and Simone Dweck for sponsoring the dinner.*

In addition, we would like to thank Albert and Rachel Pardo for sponsoring the David A. Pardo Ballers Basketball program, as well as the Albert Missry Red Zone football program, and Matthew and Simone Dweck for sponsoring the Edward M. Dweck Center Cyclones baseball program. We could not have done any of these programs without them!

WE CAN'T WAIT FOR THE 2022-23 SEASON!

HEALTH & WELLNESS

David Jolovitz, Director of Health & Wellness

Gaby Shimonov, Asst Director of Health & Wellness

Nicole Poloso, Director of Group Fitness

In this year's Mini Indoor Triathlon our members swam, biked, and ran their way to the finish line. The triathlon saw winners in both age and gender divisions. 1st place in the women's division and 1st overall was **Sally Shatzkes**; 1st place in the men's division and 2nd overall was **Mitchel Coopersmith**, with a finishing time of 1 hour and 3 minutes. And landing in 3rd overall was **Joe Dabbah** with a solid time of 1 hour and 10 minutes. The spotlight wasn't just on the overall runners that night. The superstar of the triathlon was **Albert Levy**, who at the age of 76, continues to show up every year alongside his large and beautiful family and leave with gold in his hand.

We launched our first ever Bench Press Seminar, which focused on educating our members about the benefits of the exercise as well as how they can improve their technique – just in time for our **Annual Bench Press Contest!** The night kicked off with a warm welcome and special dedication ceremony by **David Jolovitz** to honor **Boris Raykhman A"H**. Powerlifting judge and Center legend **Meir Jolovitz** was proud to announce the following division winners: **Isaac Taub** (<114lbs, 1st overall), **Chaim Dayan** (<165lbs, 2nd overall), **Benny Levy** (<148lbs, 3rd overall), **Isaac Abed** (<181lbs), **Artur Kofman** (<198lbs), **Yisrael Dayan** (<220), **Richard Beda** (220+), **Alex Beda** (Women's), **Mickey Beda** (60+), and 86-year-old **Jaime Debbah** (80+).

GROUP X

This year's annual Group X fundraiser, **Project X**, was inspired by our members' passion for fitness. The fitness festival was led by 15 of our top strength, toning, dance, and yoga instructors. They led their classes simultaneously from 8:30 AM to 11 AM across 2 floors and 4 rooms right here at the Center! Every class had a fast-paced tempo and gave members the opportunity to get an express taste of various classes that they may not normally have the chance to take. On their way out, members shopped local vendors, chatted with family and friends about their favorite classes at our 2nd floor pop-up café, purchased limited edition Group X merchandise, and entered a chance to win a free one year and semester membership to Group X.

SCC Dance Company, led by **Natalie Terzi**, spent the Spring season attending three competitions, which these girls spent months training for. The team competed against dance studios from around the country. In one competition, they placed first in their category and second and fourth overall high score! They also received a special judges award for their amazing performance. The girls were fantastic!

YOUNG ADULTS

Sarah Harary, Director of Young Adults

The Center's Young Adults kicked off the Spring semester with an awesome basketball tournament on Sunday, February 6th! With snacks, refreshments, and trophies for the taking, our boys had an amazing night shooting hoops!

We also hosted continuous **Stocking Up** cooking events for the speedy recovery of Rachel Sarah bat Gamile, Yithak ben Chanom Chana, and Yithak ben Salha. We made over 800 potato knishes, 500 sambusak, lachmagene, and hamentash for SBH's food pantry.

The culinary fun continued with our **Let's Get Cookin'!** series with **Kardio and Kale**. Young adult girls enjoyed learning, cooking, and eating Italian cuisine with **Eileen Missry!** Then then in May, we had a delicious class with **Jay Weinstein**, who taught amazing techniques and delicious cuisine. Fresh Caesar salad, artisanal pizza, pesto ravioli, and chocolate crepes, all freshly made from scratch, were served in a fabulous spread while our young adults ate and enjoyed the food they cooked themselves!

Later in the season, we teamed up with **Propel's Young Professionals** board to present a panel of community entrepreneurs: **Adina Kamakhatchi**, **Lottie Terzi**, and **Sophia Chabbot!** The event was hosted generously by **Samuel Krost** in the Krost NYC pop-up shop in NYC on February 23rd and featured questions every aspiring entrepreneur must answer before taking the leap.

Then, in April, we hosted our first **State of the Industry** panel. Real estate professionals **Paul Massey**, **Ezra Dweck**, **Morris Sabbagh**, and **Steven Hidary** took the stage to discuss real estate, building their businesses, and much more. Moderated by **Eddie Esses**, attendees enjoyed light mazza and refreshments.

We also had **SBH's Young Professionals** career coaches available for extended career guidance as well.

What a night!

ARTS & CULTURE

Kathy Shabot, Director of Arts & Culture

Sheila Kishk, Culinary Coordinator

Sam Torjman, Director of Musical Arts

The Center's Culinary Department held an incredible **Cooking Demo & Book Signing** with **Paulette Jemal**. Paulette demoed 3 healthy and unique recipes from her new cookbook, **COOK**, while we distributed taste testers to the crowd. Everyone enjoyed homemade lunch and a coffee bar while socializing and learning useful kitchen tips from the amazing chef Paulette!

We've had the pleasure of hosting chesed opportunities here in our kitchen with **Chef Sarah Hanan** and **Me for We**. Groups of volunteers have been coming to help **Prep and Package Meals for Holocaust Survivors** in need. It has been a very special experience for everyone who has joined us!

simply traditional

Bringing together generations of families through food

SIMPLY TRADITIONAL IS A VIDEO PROJECT WORKING TO CAPTURE FAMILY MEMORIES AROUND THE KITCHEN WITH ALL YOUR FAMILY GENERATIONS.

In March, we hosted a day of Simply Traditional here in our kitchen. The whole Salama family came together to learn how to cook their family's traditional recipe, straight from their grandma. To follow, they had a beautiful sit-down lunch and gorgeous set-up where they got to enjoy each other's company and share memorable stories about their grandmother. What a day it was!

[Calendly.com/SimplyTraditional](https://calendly.com/SimplyTraditional)

Contact Kathy@SCCLive.org to book your next Simply Traditional event, either here in our kitchen or in the comfort of your own home. Summer Simply Traditional video shoots are now available!

We held a **Pop-Up Boutique Show** and our **Mother's Day Boutique Show** this season, where our vendors displayed and sold fabulous goods.

ENCORE SCHOOL OF MUSIC

The Encore Café saw its first iteration with a live jazz trio led by Encore faculty member **Tomer Cohen** and included a wonderful wine-tasting by Drimia Vineyards from Israel. **Ty Citerman's Jam Band** played a Kids' Concert at our Purim Carnival!

We just put on our **Encore Stageshow**, which included a host of different performers on stage giving us a taste of their musical talents. Vocalists, instrumentalists, and ensembles, including several from our local community school programs in Encore Outreach, came together along with several faculty members to put on a great show!

SOCIAL SERVICES

Our **New Beginnings Social Club for Widows** came in one evening for dinner and jewelry making. They went home with the beautiful necklaces they created. Another evening, we had a representative from Mary Kay Cosmetics teach us how to do a facial, cleanse, and moisturize our skin. Participants left with glowing complexions, and we all look forward to the next event!

This season's **Networking Luncheons for People with Parkinson's and Their Caregivers** were on resources, self-care for people with Parkinson's, and combating micrographia. Luncheons are held the first Wednesday of each month at the Center.

The **Men's Club** has enjoyed weekly lunches, games, and lectures this spring. We are continuing to offer Brain Works, Rock Steady Boxing, and Healing Music for Parkinson's.

WOMEN'S CULTURE CLUB

Our Book Clubs have been so interesting this semester! In February our Book Club read *The Plot* by Jean Hanff Korelitz. We had a really great discussion led by **Alice Chera. March was even more fun; Alice moderated *The Lincoln Highway* at our Book Club, which took us back to America in the 1950s.**

On February 24th, we had a tour of Grand Central Terminal, with a very fun and informative guide!

On February 9th, we took a group of 46 women to see *Hamilton* on Broadway! We had great seats and had a fantastic time! In March, we had two trips to see *The Music Man* on Broadway, where we were lucky to see Hugh Jackman and Sutton Foster's performances! We also saw *Mrs. Doubtfire* and *Plaza Suite*, with Matthew Broderick and Sarah Jessica Parker!

Our **Psychology in Film** series continued with **Rori Sassoon** discussing *The House of Gucci* film with Lady Gaga. The following week, we had **Michelle Maleh** discuss *Inventing Anna* with us. It's so interesting to hear different opinions on these characters, and what you take away from these discussions can really change your perspective.

Looking forward to a very busy summer season for Culture Club! Psychology in Film, a Historical Bike Tour of Deal, Girls Night Out events, our 3rd Annual Ruth Jerome a'h Garden and Pool event, Book Clubs, Authors Events, classes and more! Hope to see you there!

SENIOR CENTER

Ashley Rosen, Director of Senior Center

Aimee Mishaan, Senior Center Supervisor

We've had so many great trips over the past couple of months: the Jewish Museum, Westfield Garden Mall, Coe Hall Planting Fields Mansion, and the Paper Mill Playhouse to see the play *The Wanderer*. Some of our in-house events included a bingo game, a watercolor art class, lectures, cooking demos, and movie screenings. Not to mention our on-going exercise classes multiple times every day. We keep our Seniors quite busy!

Plus, our twice-a-week **Master Artisans** participants created Purim Cards, challah covers, crocheted baby blankets, mishloach manot baskets, napkin rings, and more—all available for purchase!

A highlight of this season was our annual **Purim Party**. Thanks to our generous sponsors, we served our seniors a lavish lunch and dessert, had entertainment, and beautiful mishloach manot bags for our attendees to take home.

Our **Mother's Day Celebration** was also a big hit. We had lunch and special activities including a family tree art project, dried flower arrangements, and so much more! Everyone left with chocolate covered strawberries and smiles.

This Spring, we kicked off monthly joint programs with SBH Seniors! So far our community's seniors have enjoyed lectures, exercise classes, activities, lunches, and a magic show together! It's so beautiful seeing everyone having a blast together. We love having such an amazing partner.
